GUIDELINES FOR GROUP PROJECTS
PUBLIC SPEAKING

Instructions

- Read the coursebook regarding the assigned topic for your group projects. You can include further relevant ideas to support the topic. Include some learning points *(Suggested questions: How is the topic beneficial to you? In what way? How does the text in the coursebook challenge your pre-existed knowledge?)*

- Design an illustration to summarize the content, e.g., a mind map, an infographic poster, a text structure analysis…

- Prepare visual aids for group oral presentation.

- The group presentation should NOT exceed **15 minutes**. Choose 2-3 presenters to speak in your presentation.

- All files and documents shall be submitted **03 days prior to the date of presentation** at the latest. They should be uploaded onto the links provided as in the Group Portfolio.
